Arethusa Farm Open House

1:00-4:00 PM

You are invited to tour the heifer barn and milking barn facilities at Arethusa Farm. Parking is at 13 Webster Road. Shuttles will circulate, stopping at each location every 15 minutes. The final tour shuttle will depart the parking area for the heifer barn at 3:30PM.

The Open House is your opportunity to view the Arethusa cattle and barns.

For several reasons, this is the only time the barns will be open to the public.

The Glamour Girls will be ready for the runway! Join us for hors d'oeuvres and cocktails while you preview the models that have created international intrigue.
